## PROFILE SUMMARY

Hi! I'm Maris, a detail-oriented and people-driven project manager with a background in digital marketing, UX, and creative strategy. I thrive on bringing structure to fast-moving environments and helping teams stay aligned, supported, and focused. Whether I'm building internal systems, coordinating complex deliverables, or creating clarity across teams, I lead with empathy, clear communication, and thoughtful problem-solving. I'm seeking a project management role where organization, collaboration, and people-first thinking intersect.

## PROJECT MANAGEMENT EXPERIENCE

### Capstone Collegiate Properties

Accounts Project Manager | Feb – Aug 2019 & Jun – Aug 2020  
College Station, TX

- Designed a multi-sheet operational tracker to monitor unit readiness, walkthrough status, and maintenance progress across 1,000+ units
- Organized all damage assessment paperwork, creating a clear workflow between student workers, management, and accounting
- Created and maintained a live "go-ahead" list for maintenance teams, reducing delays and miscommunication during move-out season
- Scheduled FaceTime walkthroughs and coordinated student worker coverage
- Developed documentation to align leasing, maintenance, and admin teams with move-out procedures

### McCann

Copywriter with PM Responsibilities | Oct 2022 – Present  
New York, NY & Birmingham, MI

- Acted as the behind-the-scenes coordinator for large-scale creative projects, organizing decks with 50+ deliverables into clear, reviewable sections
- Built and maintained a live tracker for all active projects, including milestones, notes, and creative links, to keep the team aligned and reduce confusion
- Took detailed client feedback notes, documenting clear action items and next steps to streamline revisions
- Scheduled and led syncs across creative, strategy, and leadership teams to maintain clarity and momentum
- Collaborated with my art director partner and others to ensure accuracy, alignment to brief, and timely delivery

### Freelance Web & App Design

Project Leader/Designer | Jul 2023 – Dec 2023  
Austin, TX

- Collaborated with a client to create a prototype for an app design, turning their vision into a tangible user experience
- Developed a project overview deck outlining process, timeline, and client responsibilities to ensure alignment and successful project execution
- Managed the timeline, deliverables, and facilitated client discussions to outline project updates via email and Zoom, ensuring clarity and satisfaction
- Currently developing a digital mental health toolkit for kids — leading all content, structure, and UX efforts.
